# Pricing Policy/Terms/Dealer Disclosure Agreement

This agreement contains the complete terms and conditions that apply to your participation as a customer/vendor of NRG Innovations. By signing below, you are confirming that you have read this agreement and you agree to be bound by the terms and conditions contained in this Agreement. Please read carefully before proceeding.

- NRG Innovations will be strictly enforcing MAP pricing policies on all dealers, distributors and vendors of NRG products. One basic guideline regarding this policy includes ABSOLUTELY NO LOWER THAN RETAIL PRICING may be advertised in any form including EBAY, Yahoo Auctions, and Craigslist. (All vendors attempting to sell on these previously mentioned venues must be authorized by us.) This policy will be enforced by our MAP pricing team along with the utilization of many of our dealer networks. One warning is allowed but swift action will be taken after initial warning.
- You hereby agree to indemnify and hold harmless NRG Innovations, and its subsidiaries, and their respective directors, officers, employees, agents, partners, members, and other owners, against any and all claims, actions, demands, liabilities, losses, damages, judgments, settlements, costs, and expenses (including reasonable attorneys' fees) (any or all of the foregoing hereinafter referred to as "Losses") from any damages (whether physical or psychological), injuries, permanent disabilities or deaths caused directly or indirectly by any of our products or services.
- By accepting our shipping quotations and the shipping dates, you have agreed to abide by our sales' terms and conditions set forth in this purchase order. Any orders once confirmed after shipping charges and Shipping dates has been accepted/sent, cannot be cancelled unless an agreement has been reached.  
It is the end-users responsibility to make sure that they are ordering the correct part for the correct application.
- Returns are subject to approval. With all returns, an approval is required. NRG Innovations must be notified within 48 hours of return shipping and a RMA must be requested for return shipment. Returned items are subject to a restocking fee of 15%-30% (depending on the merchandise, or unless otherwise agreed upon).
- All automobile parts should be installed by a professional mechanic in an equipped workshop. Any damaged or missing parts during installation will not be refunded, nor any request for such be entertained. All advices and technical information provided by us will be used under your own discretions. We will not bear any responsibilities for any misunderstanding and misinterpretation. Buyer also understands that due to strict U.S. Federal and State Safety crash guidelines, NRG Innovations is not responsible or liable for any damages or possible injury incurred upon possible accidents due to driver error, incorrect installations, bad judgment or act of nature, etc... All carbon fiber (interior/exterior components) are only recommended and legal to be used for off-highway use such as track racing or for exhibition show only! Buyer understands that all products may need modifications for correct fitment
- All advices and technical information provided by us will be used under your own discretions. We will not bear any responsibilities for any misunderstanding and misinterpretation.
- NRG Innovations does not guarantee the legality of any products we sell. It is the customer's responsibility to check local and state laws regarding vehicle modification before ordering. Some parts we sell are for racing only, and are not legal for use on public road or street. All engine modification components, except those that are exempt, have been designed and are intended for off-highway application. Many state laws prohibit the removal, modification, or rendering inoperable of any device or element of design affecting vehicle emission or safety in a vehicle used on public highways. Violation of such laws may subject the owner or user to a fine or penalty. Installation of this part may void the warranty coverage, if any, on your vehicle. Vehicles modified by the use of performance parts may no longer be lawfully used on public highways.
- We reserve the rights to modify any of the terms and conditions contained in this Agreement, at any time and in our sole discretion. Modifications may include, for example, changes in the scope of membership or dealer programs, payment procedures and rules.
